I can help you achieve Lexcel in an efficient and cost effective way. I have over 10 years' experience of advising and training solicitors, assessors and consultants on how to implement the Lexcel standard. This has given me a unique insight into risk, quality and compliance within legal practices. I can draw on my experience to assist you with compliance and gaining competitive advantage. My range of services include, diagnostic assessments, mock audits and implementation management to help you get accredited.

Legal Compliance Services provides bespoke regulatory compliance and risk management systems and advice to law firms. All our consultants are non-practising solicitors who have worked as compliance experts at the SRA for many years and contributed to the development of outcomes-focused regulation. We have given on-site compliance assistance to over 1,800 firms. We put in place all you need to prepare for Lexcel. We support and assist you at every stage of the process up to and beyond successful application. In addition, we will ensure you are in a position to achieve compliance with the SRA Handbook.

We are both solicitors, experienced in private practice. We have also both conducted hundreds of monitoring visits to law firms, whilst working for the SRA. Q & C Legal focuses on affordable Lexcel and regulatory support for firms and ABSs. Rebecca lectures and trains widely on OFR, Lexcel and SQM requirements and is an experienced Lexcel assessor. Elaine is uniquely positioned to offer an insight into the new regulatory regime having worked in the SRA's Supervision Unit. We are well placed to offer practical and meaningful advice and to provide your firm with a complete Lexcel and compliance consultancy service.
